Disabilities
Friday, May 4

May 1, 2012

MetroWest
Center for Independent Living, Inc.

Greetings!

THIS FRIDAY, May 4, the Executive Office of Health and Human Services is holding a public forum to:

IDENTIFY THE CONCERNS OF MASS HEALTH MEMBERS WITH DISABILITIES

With Christine Griffin, EOHHS Assistant Secretary and
Dr. Julian Harris, Medicaid Director

This meeting is for

- People with disabilities
- Family members of people with disabilities
- Advocates
- Community stakeholders active in disability rights

The forum is open for anyone to tell EOHHS what MassHealth can do better for people with disabilities. It is important for MassHealth policy makers to hear people with disabilities and their families express their concerns about current services, describe needs that are not being addressed, and suggest ways to improve services and expand opportunities. Call the Disability Accommodation Ombudsman if you would like more information about this event, or to ask for accommodations to help you take part in this forum.

When:

Friday, May 4, 2012, 1:00-3:00 pm

Where:

State Transportation Building
Floor 2, Conference Rooms 2 and 3
10 Park Place, Boston
