Senator Spilka on Senate Leadership Team

MetroWest Center for Independent Living congratulates Senator Karen Spilka for her new appointment as the Chair of the Ways and Means Committee. We have long known Senator Spilka as a hard-working, perceptive, caring and effective legislator, and we are delighted that she has been recognized with this appointment. Her new position, described as "one of the most intensely scrutinized and coveted positions" by Matt Murphy of the State House New Service, oversees the budget and finances of the Commonwealth.

We also congratulate another MetroWest Senator, Jamie Eldridge, for his appointment as the chair of the Financial Services committee which plays a role in regulating the banking industry.

House appointments have not yet been announced.
